The senior high schools are the foundation for all GNAAS Tertiary fellowships.

Our administration saw the need to strengthen the GNAAS SHS fellowships which eventually feeds the Tertiary Fellowships with membership by rolling out these Programs;

❖ **GNAAS Community Service Day**

This was a national program and the purpose was to give back to our communities where we live or fellowship. With this, we encouraged to all zones to partake while we supervised. The activities were either to arrange a clean-up exercise in the community, plant trees or make donations to either the prisons, orphanage homes or perhaps the needy on the streets.

❖ **National Day of Fasting and prayers**

The spiritual aspect of our human life is enriched by having an encounter with God as Christians, so the national secretariat deemed it necessary to plan for fasting and prayers. GNAAS members within the union fasted and prayed with the supervision of union executives in various fellowships.

March 12, 2022

❖ **GNAAS Social Responsibility Day**

As part of the association's commitment to society, March 19, 2022 which doubled as the Global youth day with the theme **"Loving the Forgotten"**, the union secretariat organized a full day sabbath with our little brothers and sisters at Cherubs Orphanage in Santasi, Kumasi.

Challenges

1. Finances
2. Administrative continuity of Zonal and Fellowship leaders
3. Disparities in academic calendar in various institutions
4. Difficulty in Means of Transport for coordination

Recommendations

1. We recommend to the incoming administration to **continue** the programs from where we have ended and make it better than we did.
2. We see the need to have an **evangelism fund** for the unions and the Zones where funding for evangelism will not become too difficult.
3. We recommend to the incoming national executives to extend the Inter-Zonal SHS Bible quiz competition to the National Level.

Recommendations

4. We recommend to both the NGUC and the SGUC to get mini vans for GNAAS to assist coordination within the unions and zones.
